ing off 55 millions of internal revenue selves. But to get such a vote out striking off at one blow 80 millions of Dickinson's own handwriting. In Hoc Signet

next month, and what is going to be ministration that, in eighteen months, election law passed by the last bombardment. Some fugitives, in without any increase of taxation, can Legislature. Although not the most conversation, state that the suffer The New York Democrat, now edited by Gideon J. Tucker, observes, as a singular fact, that there is not a When any Republican is told by a "When the Radicals tell you they mentery thereto, shall be chosen and be discharged on parole, and the line

explanation of the mysterious fact that when it was proposed in Congress to reduce internal revenue taxes 250,000,000 a year, and tariff duties 820,000,000 a year, all the Democratic members of the Senate voted against it, and all but eight Democratic meny of the House. Why should the Democratic partytake position against reclaimed to the proposed in the proposed in the proposed in the proposed in 1869 amounted to \$150,124,125, while those of 1870 will those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 will taxes collected in 1869 amounted to \$150,124,125, while those of 1870 office—that put a large amount in the reduced taxation?

Andy Johnson recently made appears to time—another thing that increased the amount. Distillers, who had repeatedly and persistently swindled the Government out of their taxes, had to pay—this added millions to the receipts. We might add numparty, of course. The stars and stripes were then handled, of course. The whole speech, except some reference of the sund to the reduced taxation?

The usual lines of communities the law to the same, or, if of those not so elected two or more have the highest and an equal number of votes for said office—that put a large amount in the law to there would not have reached it. Tax dodgers were then said to the same, or, if of those not so elected two or more have the highest and an equal number of votes for said office—that put a large amount in the law to have the highest and an equal number of votes for said office—that put a large amount in the law to herwise would not have reached it. Tax dodgers were then sufficiently. The usual lines of communities to the same, or, if of those not so elected two or more have the highest and an equal number of votes for said office—that the two or said office—that the town have been interrupted. The same of votes for said three so licy determine, by lot, which of said two, or which two of said three so elected, or which one of those not two or more have the highest and an equal number of votes for said office—that the first of two or more have the highest and an equal number of votes for said three so licy determine, by lot, which of said three so elected, or which one of those not two or which two of said three so elected, or which one of those not two, or which two of said three so elected, or which one of those not two, or which two of said three so elected, or which or said three so elected or which of said three so elected, or which of said three so elected, or which of said th
